*U.S. MARINE
CORPS*

About us

We train our cadets to become MARINES. We win our nations battles. Marines make a promise to their nation and there selves to be the best they can be and to fight for this country. As Marines you develop into a quality U.S. citizen.

Our purpose:

Our purpose for service is expressed through the motto SEMPER FIDELIS, to promise to ourselves and our country that we will be elite and ready for what it thrown at us in a moments notice. We will be ready in a moments notice to defend our country.

“We are forward deployed to respond swiftly and aggressively in times of crisis. We are soldiers of the sea, providing forces and detachments to naval ships and shore operations”. – U.S. MARINES CORPS
